

eWiSACWIS Template Pre-Release* 2.1 Notes

CPS Reports

3093

Address for Family Information
not prefilling

The Address in Family Information section of PS Report template prefills correctly based on the type of the report. Please see the template mapping for details

Document Plans

8418

PPR Template

The concurrent permanency goal is now pre-filling correctly and the format of the names in the signature section have been changed to "First Name Last Name."

Foster Care/Out of Home Placements

8428

SG Agreement changes

The Subsidized Guardianship Agreement template (CFS-2365) has been updated with new text and formatting changes.

Home Provider

7443

Template issue with Parent 2
pre-fill

Family Fact Sheet and the Foster Family Support Plan templates now accurately display Parent 1 and Parent 2 information.

Legal Consult

7904

Remove the Report of Adoption
template

The Report of Adoption (HCF 5022) template has been removed from the system as it can only be distributed by Vital Records. However, previously created templates will still be accessible in the system.

Legal Consult

8429

Order for Return of Legal
Custody to County form

The Order for Return of Legal Custody to County template (CFS 2230) has been updated to reflect new language in the text of the document and has also been formatted to make the form easier to read.

* This document contains incidents fixes and enhancements that are planned for this release. Based on scheduling and budgetary constraints the final release notes may be slightly different than documented in the pre-release notes.
